

listen value invest : the conference

How can the Third Sector deliver for England's North West in a changing political landscape?

Wednesday 29 September 2010

9.30am to 3.45pm

Manchester Conference Centre

- Key note speech from the Rt Hon John Bercow MP, Speaker of the House of Commons.
- Other speakers from key policy-making bodies for the North West.
- Workshops to help you understand the changing regional context and influence the decision-makers who matter.
- Exhibition featuring the key North West infrastructure organisations and how they can support your work.

Listen Value Invest: the conference is a free event, open to staff and volunteers from third sector infrastructure organisations working in the North West of England.

Refreshments and lunch will be provided.
